

WRITERS GUILD FOUNDATION
INDUSTRY SUPPORT FUND

26 February 2008

**SWEET CHARITY DONATION TO
THE WRITERS GUILD FOUNDATION – INDUSTRY SUPPORT FUND**

Dear Sweet Charity Contributors,

Thank you so much for your contributions to the Industry Support Fund. Your generosity has and will continue to provide emergency financial relief to non-WGA member workers whose careers in TV & film were interrupted by the recent writers strike. You have helped pay mortgages, rents, medical bills, utility bills and more for the crafts- men and women whose well-beings hang in the precarious balance of an uncertain creative industry.

Your individual donations added up to a total of:

\$20,785.76

(plus an additional \$30 donated to the Actors Fund, our partner organization in providing strike relief)

That these donations came from all over the world shows an awareness and compassion in all of you that is both touching and inspiring.

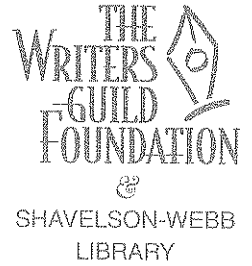

Our most sincere thanks!

Angela Wales Kirgo
